

Two Photographers

Acknowledgment and disclaimer:

For Quality reasons, whenever there are two photographers, we ask that there be a designated primary and secondary/B-roll photographer. The Default is listed below but may be changed as needed and declared during the shoot.

Additional Photographers/Crew

We highly recommend having a dedicated photographer so that the rigger can fully focus on rigging and the photographer can fully concentrate on the photos and scene aesthetics, resulting in a higher-quality and more polished final product.

We also request That the Rigger / FBBR representative known as “The Photographer” on the FBBR/FrolicBB release be allowed to take photos. As such, fill out the appropriate release for “The Photographer” Limited Release or Full Rights jointly.
